(Examiner/SPE Signature)

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner indicated that the process claims were allowable but the products required further consideration and further restriction. The examiner discussed improper dependency of Claim 12 and further discussed eliminating the Trademarked composition in claim 16. Applicant authorized re-restriction and elected the method claims, authorized dependency and Trademark substitution by examiner's amendment and Authorized cancellation of non-elected claims with traverse, applicant reserving the right to file divisional application. Applicant's representative authorized changes to the Title.
